

Spiritual Development

Students spiritual development is shown by:

Subject	SMSC: ability to be reflective about their own beliefs, religious or otherwise, that inform their perspective on life and their interest in and respect for different people's faiths, feelings and values	SMSC: sense of enjoyment and fascination in learning about themselves, others and the world around them	SMSC: use of imagination and creativity in their learning	SMSC: willingness to reflect on their experiences
English	KS3 Year 7 -Term 1 'Alter Egos': students explore the role of alter egos in literature, reflecting on their function in relation to identity -Term 2 'Wonder' explores disability, reading difficulties and group identity. Year 8 -Term 2 'A Christmas Carol': students explore the theme of altruism in the text and explore its impact on society; -Term 4 'Poetry from Different Cultures': students explore poetry from a range of cultures, exploring viewpoints and social and historical context. Year 9 -Term 1 'Romeo and Juliet':	KS3 Year 7 Term 1 'Alter Egos' and Term 4 'Writing the World': students explore a range of non-fiction texts about the natural world, ecology and the environment before writing their own persuasive letters to promote conservation work. Year 8 -Term 4 'Poetry from Different Cultures': students explore poetry from a range of cultures, exploring viewpoints and social and historical context. -Term 6 'Dystopia': students learn about a range of	KS3 Year 7 Term 5 'Poetry Quests': students develop own poetry writing in response to models given; Term 6 'Spy Fiction': students study a range of spy fiction and then write their own spy narratives based around a character they have created. Year 8 -Term 3 'News Writing': students write an article about their perfect school. Term 6 'Dystopian Fiction' allows students to imagine alternative worlds and explore them through creative writing.	KS3 Year 7 Term 1 'Wonder' students reflect on their start at school and their relationships with peers. Term 4 'Writing the World': students reflect on a conservation issue that is of importance to them and their local area as the focus for their own campaign writing. Year 8 Term 1 'Writing to Explain': students write a web article about an unusual sport or hobby in which they participate. Year 9, 10 and 11 All Aspects of KS4 expect students to reflect on their own learning/experiences as this links in directly to their GCSE

	<p>exploring attitudes to love across different cultures." -Term 3 'Animal Farm': students reflect on the role of democracy in shaping society. KS4 'Animal Farm', 'Romeo and Juliet' 'Frankenstein', Conflict cluster poetry in EdExcel Anthology; All English Language schemes of work (which make use of the Edexcel GCSE 9-1 Text Anthology, containing a wide range of non-fiction texts covering current affairs-style issues).</p>	<p>dystopias as portrayed in fiction before writing their own. Year 9, -Term 6 'Conflict Poetry': students explore how conflict is portrayed in a range of poetry. KS4 'Animal Farm', 'Romeo and Juliet', 'Frankenstein' Conflict cluster poetry in EdExcel Anthology; Creative writing tasks throughout English Language Schemes of Work.</p>	<p>Year 9 -Term 1 'Romeo and Juliet': students explore the play via drama techniques, participating in workshops, master classes and giving performances. KS4 Opportunities to write from personal experience are embedded throughout English Language Schemes of Work.</p>	<p>preparation. This takes place particularly with the creative and transactional writing tasks.</p>
Maths	<p>Across year groups. Data used to compare different groups of people. Male / Female or different religions etc. In some aspects of work symbols / pictures from different religions are used to demonstrate Symmetry, Similarity and congruence.</p>			
Science	<p>Year 7 'Cells': what living things are made from Year 7 'Space': how ideas have developed over time Year 8 and year 11 cover Evolution where students investigate the theory of evolution and compare it to the theory of God and creation. Year 10 cover fertility and the use of contraceptives and IVF.</p>	<p>Year 7 'Particles': How can the particles theory explain other phenomena Year 7 'Space and Beyond' Year 7 'ecological relationships' Year 7 'What is respiration' Year 7 and Year 10 Variation and genetics. Students learn about the differences and how these are controlled by genes</p>	<p>Year 7- 11 Covered in chemistry, physics and Biology. Students use imagination to describe what can't be seen, e.g. cells, atoms, electromagnetic waves. Year 10 Physics Unit 1 – the universe. Be able to explain how 'red-shift' provides evidence that the universe is expanding. Know that the</p>	<p>Year 8 'fit and healthy' – improving quality of living; consequences of smoking Year 10 Biology Unit 1 'Control of the human body' – give some changes that occur at puberty and link with secretion of hormones</p>

		and the environment.	'Big Bang' theory indicates that the universe began from a very small initial point.	
History	<p>Year 7 'Rome and Christianity' Examining different perspectives on how Christianity was viewed by Romans whilst comparing Roman religion to Christianity.</p> <p>Year 9 'Slave Trade' looking at different perspectives on how civilised Africa was before the slave trade and comparing different African religions to Christianity.</p> <p>Year 10&11 'Hitler and the Holocaust' examining different perspectives on the Holocaust</p>	<p>All Key Stages e.g. world wars, learning about different countries and cultures through time.</p> <p>Year 7 'Roman invasion of Britain' creating fascination and enjoyment through acting as Roman spies in Britain.</p> <p>Year 8 – 'Henry VIII' Fascination at the personal character of Henry VIII</p> <p>Year 9 – 'African civilisations' Enjoyment comparing western culture to African culture.</p> <p>Year 10 & 11 – Fascination at how America became a superpower and how South Africa fought against apartheid.</p>	<p>all key stages, e.g. dilemma history, comparing actions and morals through presentations and debates requiring students to take a creative and imaginative response to dilemma</p> <p>History</p> <p>Year 7 – 'Creating and designing castles, shield making' requiring creativity and imagination</p> <p>Year 8 – 'Creating portraits of Elizabeth I'</p> <p>Year 9 – 'Designing and creating Slave abolitionist memorials' requiring creativity and imagination</p>	All Key Stages required to reflect on their learning and respond to feedback by setting their own targets etc.
PB	<p>Y 7 Ultimate Questions. Origins of religion. Who was Jesus? Truth claims, Islam, Sikhism.</p> <p>Y8 Journey of life. Life after death, Special Places, Buddhism.</p> <p>Y9 Prejudice and Discrimination, Inspirational people, Suffering and evil.</p> <p>Y10 Medical Ethics, Wealth and</p>	<p>Y 7 Ultimate Questions. 	Poverty, Good and Evil, Religion and Science. Y11 End of life, Nature of God, Equality, Peace and justice.	Y10 Wealth and Poverty. Medical Ethics. Religion and Science, Good and Evil. Y11 End of life. Nature of God. Equality, Peace and justice.		
Geography	Year 9 - Global Cultures Unit Year 13 – Influence of religious ideology within Colonialism	Year 7 – Units on MSN, Somerset and the UK, Impossible Places Year 8 – Africa, Ecosystems Year 9 - Global Cultures, Asia	Year 7 – Designing the perfect city Year 8 – Ecosystems Assessment; design an animal	Year 9 DME – reflecting on work covered throughout KS3.
MFL	Analysis of Spanish and French cultures. Comparison to British culture. Mexican day of the day Different types of religious festivals/holidays	KS3-KS4 through learning info about other countries and the way that they live. Learning a skill for life that they can take with them when they leave school and use in another country. Communicating with students from a Spanish school via e-mail.	All key stages: use of websites/poster design/booklets/PowerPoint/poems/songs Creative language development Communication from students of the same age in a different country via e-mail. Using their imagination to write about all sorts of topics.	All key stages reflect on their learning by responding to feedback given All key stages are regularly encourage to self-assess their learning each lesson and over a period of time.
Art	Reflect different cultures and understanding Mexican Day of the Dead – Year 8 Aboriginal Art – Year 9 Shepard Fairey “Hope” image of Barack Obama – Yr 9 Peace Icons – group work to celebrate important figures in world history who have strived for peace.	Study of multicultural art and learning about techniques used. Taking pride in having their work exhibited around the school Entering work for competitions. Artist of the month award.	All Art lessons demonstrate this. Personalising creative outcomes. Working independently within a creative environment.	Students are able to self-reflect and assess own work and that of others. All students complete self-assessment tasks and review of learning to support them to achieve their potential.

Music	<p>Year 7 Caribbean Music, European Music, American Musicals, Christmas Music</p> <p>Year 8 – Blues, Ragtime, Baroque</p> <p>Year 9 – Classical music, fusion music, My Music (GCSE intro), Film music, Dance Music</p> <p>KS4 & 5 – Music from North and South America, African, Asian Music and Palestine Music from around the world.</p>	<p>Year 7 Caribbean Music, European Music, American Musicals, Christmas Music</p> <p>Year 8 – Blues, Ragtime</p> <p>Year 9 – Classical music, fusion music, My Music (GCSE intro), Film music, Dance Music</p> <p>KS4 & 5 – Music from North and South America, African Music and its derivatives, Asian music etc.</p> <p>Learning Music notation</p> <p>Instrumental Lessons – 1:1 tuition</p>	<p>Year 7 Caribbean Music, European Music, American Musicals, Christmas Music</p> <p>Year 8 – Blues, Ragtime</p> <p>Year 9 – Classical music, fusion music, My Music (GCSE intro), Film music, Dance Music</p> <p>KS3, 4 & 5 – Performance/composition work, including writing own compositions and developing performance skills, writing arrangements, composing and performing cover versions using a variety of ways to notate</p>	<p>Year 7 Caribbean Music, European Music, American Musicals, Christmas Music</p> <p>Year 8 – Blues, Ragtime</p> <p>Year 9 – Classical music, fusion music, My Music (GCSE intro), Film music, Dance Music</p> <p>KS3, 4 & 5 – Performance/composition work, including writing own compositions and developing performance skills, writing arrangements, composing and performing cover versions using a variety of ways to notate music from traditional to graphic notation</p>
Computing/ICT	<p>Students promote self-esteem through the presentation of their work to others</p>	<p>Students explore how ideas in computing have inspired others</p> <p>Yr 7 - Students create a mobile phone app on Britishness. This looks at what it means to be British. It is aimed at people wishing to move or visit Britain. The project aims to get students to think about what is great about Great Britain.</p> <p>Yr 9 - Students are encouraged to reflect and learn from reflection from the position of a particular audience view point as</p>	<p>Students explore creativity and imagination in the design and construction of digital products</p> <p>Yr 8 - Students develop computer games. They are initially all asked to complete the same game in order to acquire certain skills. They are then tasked with coming up with their own creative game.</p> <p>Yr 9 - Throughout the music festival students need to be very creative. They need to design flyers, tablet apps, TV ads, radio ads and a</p>	<p>Throughout all units, students reflect on their learning. They have test buddies who give them feedback and comment on WWW and EBI.</p> <p>Yr 9 - At the end of each section of the music festival project, students need to feedback to their test buddy and accept criticism.</p>

		they create a number of promotional products. Yr 9 - Students plan a music festival for the local area. They must research possible areas for the venue.	logo for their own music festival.	
Business	Spiritual development within Business Studies involves students being encouraged to explore sexism, racism and discrimination in the workplace through the discussion of employment laws. Students also explore their own feelings and meaning and reflect upon topics such as ethics. Students are encouraged to explore these concepts and challenge the actions that businesses should take. This also helps to develop student's empathy and compassion skills and allows them to take into consideration other people aims, values, principles and beliefs.	"Big Pitch Challenge" – students have to create their own product or service to sell to the school population and general public	Student have to create their own business ideas and brands	Students are encouraged to express their own opinion and explore different examples.
Media	Creative film and radio projects at Level 2 and 3. L2: Students create their own TV adverts. L3: Students produce TV advertisements (Yr.12) , a community film project or a radio show for local community radio (Yr.13)	Develop awareness and understanding of the development of culture and technology. Learn visual skills in photography and camerawork. Learn appreciation of the use of lighting, camera	Yr.10 and 12: Script, storyboard and create a film working collaboratively to realise a shared vision. Yr.11 and 13: Create a concept for a radio show or feature and record it for broadcast on SomerValley	Evaluation of the production process including students' critical self-evaluation of their role in the process and their ability to work with others at both L2 and L3.

		angles and framing to create visual emphasis in their film work. Interview skills in radio work listening to and understanding others.	FM.	
PE	Teamwork and sportsmanship developed through game play.	Motor skill and sensory development at KS3 – students develop skills and enjoy experimenting with new shapes their bodies can create – gymnastics / trampolining	Creative assessment strand at KS3 for Trampolining/Gym/Dance. KS4 – gameplay situations and team building unit of work. KS4 students designing their own fitness programmes.	Reflective practice – at KS3 though both self and peer assessment – on-going all year KS4 – analysis of performance and personal exercise program during GCSE PE
DT	All Years. Understanding of client/consumer requirements. Catering/Food all Years. Taught different dietary choices and reasons for these. All Years. Research including questionnaires/surveys to ascertain peoples' views. Social, Moral, Ethical and environmental issues within design. To consider this in their own designing.	To have an awareness of the world around them in general. Take an interest in inspirational materials and design. All Year groups.	Designing and making projects. KS3 and Graphics/Textiles GCSE. All Year groups. Encouraged to adapt recipes and own designs.	Evaluations in all DT projects, self and peer assessments, learning logs, interim assessments and evaluations. All Year groups
Social Skills	Social skills work on Anti Bullying accepting others differences. Self Esteem work enables students to be reflective about their belief about themselves and others. This is further enhanced by work on Conflict Resolution and Friendship and relationship skills that give	Appreciating differences, work on discrimination and accepting others. Students are given the opportunity to learn about themselves and others in the world, this is achieved through discussion and topic work. Students also	During social skills sessions students are often required to use their imagination and empathy in engaging fully with the topics that are discussed. Students are encouraged to use creativity in work such as using computers	Students are encouraged at all times with the subject matter to reflect on their learning and experiences in Social skills sessions. This is achieved through written and verbal feedback in the sessions.

	students the opportunity to be reflective about what they believe in and also have some understanding that others may believe in different concepts to them.	learn and enjoy others in their communities.	and filming scenarios etc.	
PSHE	<p>KS3 Year 7: Term 5 'Communities and identities' Year 8: Term 1 'Community' and Term 5 'Identity' Year 9: Term 1 'Liberty and freedom' KS4 Theme days/ tutorial programme- British values, laws and identity; Living in the wider world</p>	<p>KS3 Year 7: Term 4 'Relationships/ SRE' AND Term 5 'Communities and identities' Year 8: Term 1 'Community' and Term 5 'Identity' Year 9: Term 1 'Liberty and freedom', Term 5 'Emotional wellbeing' and Term 6 'SRE' KS4 Theme days/ tutorial programme- British values, laws and identity; Living in the wider world</p>	<p>KS3- use of role play through various topics and scenarios Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 5 'Communities and identities' Year 8: Term 3 'Laws and the justice system', Term 4 'Drugs', Term 5 'Identity' and Term 6 'Managing money' Year 9: Term 1 'Liberty and freedom' and Term 2 'Planning for the future' KS4 Theme days- Health and well-being, Citizenship, Life after school</p>	<p>KS3- discussions and written anecdotes of their own personal experiences. Comparison with others' experiences. Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships and SRE' Year 8: Term 1 'Community', Term 2 'Risk', Term 3 'Laws and the justice system' and Term 4 'Drugs' Year 9: Term 1 'Liberty and freedom', Term 5 'Emotional wellbeing' and Term 6 'SRE' KS4 - All students will have opportunities to share their own personal experiences in a variety of contexts. Theme days- Health and well-being, Citizenship, Life after school</p>

Moral Development

Students moral development is shown by:

Subject:	SMSC: ability to recognise the difference between right and wrong , readily apply this understanding in their own lives and, in so doing, respect the civil and criminal law of England	SMSC: understanding consequences of their actions	SMSC: interest in investigating and offering reasoned views about moral and ethical issues, and being able to understand and appreciate the viewpoints of others on these issues.
English	<p>KS3</p> <p>Year 7: In Term 5 'Poetry Quests' explores how the theme of morality is presented in a range of poetry; Term 3: the 'Macbeth' SoL examines the morality of Macbeth's ambition to become king. Term 6 'Spy Fiction': students explore depictions of villains and discuss how villainy is depicted in literature before writing their own descriptions of archetypal villains.</p> <p>Year 8 Term 2 'Dickens': students explore notions of justice in relation to wealth distribution and examine altruistic acts.</p> <p>Year 9 Term 1: The 'Romeo and Juliet' SoL explores how violence is presented across the play as a whole, encouraging students to examine notions of right and wrong.</p> <p>KS4</p> <p>'Animal Farm', 'Romeo and Juliet', 'Frankenstein'</p> <p>Conflict cluster poetry in EdExcel Anthology;</p> <p>All English Language schemes of work (which make use of the Edexcel GCSE 9-</p>	<p>KS3</p> <p>Year 7 Term 5, 'Poetry Quests' explores how the theme of morality is presented in a range of poetry and, as such, looks at the consequences of actions; Term 3: the 'Macbeth' SoL examines the morality of Macbeth's ambition to become king and explores the consequences of his actions.</p> <p>Year 8 Term 2 'A Christmas Carol': students explore notions of justice in relation to wealth distribution and examine altruistic acts, looking at the outcomes of Scrooge's actions.</p> <p>Year 9 In Term 6, 'War Poetry' explores the impact of war on both individuals and society.</p> <p>KS4</p> <p>'Animal Farm' includes study of the impact of Communism on the Soviet Union.</p> <p>'Romeo and Juliet' provides multiple opportunities to explore the impact of the protagonists' choices upon their own (and others') lives.</p> <p>'Frankenstein' explores the impact</p>	<p>KS3</p> <p>All SoL which assess reading skills offer multiple opportunities for doing this.</p> <p>KS4</p> <p>The study of all core texts offers students the opportunity to do this, particularly through the study of social, historical and cultural context.</p>

	1 Text Anthology, containing a wide range of non-fiction texts covering current affairs subjects).	of Frankenstein's decision to create his monster and the consequences for the lives of others. Conflict cluster poetry in EdExcel Anthology, continuing work done on war poetry in Year 9.	
Maths			Students work together, discussing methods and decisions needed in order to solve Mathematical problems.
Science	<p>Year 7-11 – global warming debate, looking at the use, formation and of fossil fuels and the effect on the environment.</p> <p>Year 10 – quarrying debate looking at the benefits and drawbacks of quarrying for limestone.</p> <p>Year 7 'energy use of fuels; 'consequence of burning fuels to the environment'; 'reproduction – moral aspects'</p> <p>Year 8 'chemical reactions – issues with making new products'</p> <p>Year 9 'chemical reactions – combustion, energy'</p> <p>Year 10 Biology Unit 1 'The use and abuse of drugs': explain why drugs we need to be tested before they can be prescribed, describe the uses and problems associated with thalidomide, evaluated impact of smoking and alcohol on health, evaluate why some people use illegal drugs for recreation. Describe effects of cannabis on the body, consider the possible progression from recreational to hard drugs, effects</p>	<p>Year 10 – quarrying debate, cloning debate. Global warming. Year 11 – physics, speeding and stopping distances.</p> <p>Year 7 'energy use of fuels – wind farms', 'impact of humans on environment', 'reproduction – fertilisation', 'food and digestion – balanced diets'.</p> <p>Year 8 'heat energy – reducing heat loss', 'environmental chemistry – water pollution', 'fit and healthy – improving quality of living; consequences of smoking'</p> <p>Year 10 Biology 'Diet and exercise', 'How our bodies defend themselves against infectious diseases', 'Control in the human body'</p> <p>Year 8 – Crime Unit (including drugs trade and it's impacts)</p>	<p>Year 8 'plants for food – use of fertilisers and pest control', 'microbes – vaccinations', 'energy and electricity – using energy responsibly.</p> <p>Year 10 Biology 'Diet and exercise', 'Adaptations'</p> <p>Year 10 Chemistry 'Metals', 'Hydrocarbon fuels – burning fuels, global warming, acid rain, global dimming, harmful emissions, alternative fuels, biodegradable products, crude oil, limited resources', 'Earth's atmosphere – human activity and its impacts'</p> <p>Year 10 Physics 'Infrared radiation – insulation, U-factors and economic factors, efficiency and cost effectiveness', 'transferring electrical energy – solar energy,, effects on environment and wildlife, rapidly evolving technology, building methods'</p> <p>Year 11 Chemistry 'Speeding up – catalysts and reducing costs'.</p> <p>Year 11 Biology 'Energy flows issues concerning factory farming', 'Inheritance – ethical issues concerning stem cell research and embryos'.</p> <p>Year 11 Physics Nuclear energy issues.</p>

	<p>of heroin/cocaine addiction and withdrawal symptoms. Evaluate the use of drugs to enhance performance in sport, ethical issues of performance enhancing drugs, effects and risks of these drugs.</p> <p>Year 10 Biology Unit 1 'Reproduction'. Make informed judgements about the economic social and ethical issues concerning cloning. Explain advantages and disadvantages of cloning techniques. Make informed judgements about the economic, social and ethical issues concerning genetic engineering. Explain advantages and disadvantages of genetic engineering.</p>		
History	<p>all key stages e.g. making moral judgements, forming opinions, right and wrong</p> <p>Year 7 – Norman's treatment of the Saxons after conquering them</p> <p>Year 8 – The Tudors treatment of the Catholics, t</p> <p>Year 9 – European treatment of African enslaved</p> <p>Year 10 & 11 – Hitler and his treatment of minority groups showing the dangers when civil law does not protect minority groups.</p>	<p>Year 7 – act as Roman leaders and given consequences of the decisions they make helps students understand the difficulties of ruling.</p> <p>Year 8 – Identifying consequences of Henry VIII decisions and understanding the impact of Henry VIII changes to the church.</p> <p>Year 9 – Understanding the consequences of punishing Germany after World War 1.</p>	<p>Year 7 – students consider problems of oppressing conquered nations</p> <p>Year 8 – students consider the consequences of changing the country's main religion to protestant examining different viewpoints on the changes to religion.</p> <p>Year 9 – students consider the moral and ethical implications of treating people as objects during slavery. Students are required to study evidence and create a reasoned view for who is blame for the slave trade and who helped end the slave trade, whilst examining different viewpoints.</p> <p>Year 10 & 11 – students investigate the moral and ethical whilst examining different viewpoints. al implications of the Holocaust,</p>
PB	<p>Y 7 Truth claims</p> <p>Y8 Journey of life. The Shoah.</p>	<p>Y 7 Truth claims</p> <p>Y8 Life after death. The Shoah.</p>	<p>Y 7 Truth claims</p> <p>Y8 Life after death. The Shoah.</p>

Y9 Suffering and evil. Rwandan genocide Y10 Medical Ethics. Wealth and Poverty. Good and Evil. Peace and justice. Y11 End of life. Equality.
Geography	Year 8 – Crime Unit Year 9 – Development Unit Year 12/13 – Unit on the impacts of Globalisation	Year 8 – Problem Planet unit, looking at consequences of human activity Year 9 – Units on Globalisation and development	Year 9 – Work on the impacts of the One Child Policy in China Year 11 – Units on population change including birth control policies and the impacts of migration Year 10/11 – Lessons on multicultural societies, poverty, migration
MFL	KS3-KS4 Respect for other cultures and each other	KS3-KS4 High expectations and clear and strong behaviour management	KS3-KS4 Contentious issues in Spanish speaking or French speaking countries (i.e.: Bull Fighting)
Art	Yr 8 – Graffiti project looking at the difference between creativity and vandalism.	Behaviour and safety in the Art rooms and use of equipment, especially when using ceramics.	Yr 9 – Shepard Fairey project looking at issue based artwork. Yr 8 – Graffiti project looking at the difference between creativity and vandalism.
Music	Blues slavery, Caribbean music – its politics, Rastafarian beliefs, poverty, steel pan instruments, Reggae, Indian Classical Music – religion, Latin American music – the fusion of African and European styles, Western Music – societal divides, music for royalty, celebration music, ceremonial music, Emotions in music.	Yamaha Music School – keyboard technique, Suzuki method Positive behaviour management in lessons, no damage to equipment, high standards in lessons, including taking shoes off when entering department ability to develop practice routine & instrumental lessons	Research for My Music topic, looking at instrument background, development and investigation, Year 7 Caribbean Music, American music, Year 8 Blues, Ragtime and Film Music from a variety of genres, Year 9 Music Enquiry and GCSE Music.
Computing/ICT	Students encouraged to respect other people's views and opinions, especially during the controversial website project. Yr 8 - Students do a unit on cybercrime. This includes looking at the law revolving hacking, copyright, computer misuse,	Students encouraged to respect the computer room and the equipment they use and how this affects others. Students encouraged to have good etiquette when using digital	Students explore moral issues around the use of digital technology -For example, copyright and plagiarism. Yr 7 - Students develop an interactive website about a controversial issue. The unit look at bias, fact, and opinion. Students

	<p>and eSafety. Yr 10 - Students learn about and adhere to legislation and codes of practice including acknowledging sources and respecting copyright when developing digital products.</p>	<p>technology including mobile devices and with due regard to e-safety. Yr 7 - Students learn that collaborations are facilitated through the availability of online work spaces and that the growth of social networking has potential risks as well as benefits. Yr 9 - Students do a lesson on sexting which involves some hard hitting real life case studies.</p>	<p>need to think of their own topic and express multiple viewpoints. Yr 9 - Students consider accessibility issues when evaluating and developing digital products. Yr 10 - Students investigate ways in which ICT can be used to monitor individuals' movements and communications.</p>
Business	<p>Moral development within Business Studies involves students being required to evaluate, comment upon and discuss various moral issues relating to business practices. They will do this through the use of observations, gathering of information and studying given case studies to support this. Students are given the opportunity to consider a variety of information relating to real life business scenarios in order to make valid judgements. Students looking at the moral issues associated with business promotion and advertising and considering what the "correct" conduct is for a business to undertake</p>	<p>Students looking at the moral issues associated with business promotion and advertising and considering what the "correct" conduct is for a business to undertake Students spend a large proportion of the course investigating the impact of a business's action upon society and the local community in which they operate. For example, students consider the political, social, environmental and technological issues arising as a result of a business decision.</p>	<p>Students also draw upon their own knowledge to distinguish between what is right and wrong. As part of BTEC Business Studies, students have a willingness to express their views on ethical issues.</p>
Media	<p>Learning about intellectual property rights and copyright. Understanding of the process of gaining copyright to use someone else's work. Study of representations of groups in society and the responsibility of media</p>	<p>Responsibility to make a contribution to the group in practical production work. Responsible use of equipment and to treat others with respect when filming or recording them. Health</p>	<p>Yr.12 Creative Media Production. Students create TV advertisements to promote a positive health message to teenagers. Investigation of ethical and legal codes used in Media production at both L2 and L3. Consideration of issues of personal</p>

	producers to present fair and balanced representations of others.	and safety risk assessments as part of pre-production for practical coursework. Yr.10 work on the impact of the media on audience behaviour and responsible media consumption.	responsibility in choosing and consuming Media products.
PE	Sportsmanship – evidence across all lessons and key stages. Strong links with PE department's lesson morals and beliefs. Social assessment criteria.	Sanctions – at KS3 through small sided games, basic implementation of rules KS4 – officiating and full game situations. JSLA teacher how to put in place sanctions for others (younger students)	KS4 / 5 – discussion with examination groups regards moral issues of the week, e.g. drugs in sports and gamesmanship
DT	Graphics/Textiles. Design and product copyright. KS4 food labelling laws and Health and Hygiene legislation.	Behaviour and safety in workshops/specialist rooms and use of equipment.	Graphics – Year 10 envirophone project – discussions on locally sourced versus Far East factory. Social, Moral and Environmental aspects of design Year 10 and 11. Textiles – Year 11 coursework project and in designing their reusable bag. Social, Moral and Environmental aspects of design Year 10 and 11. Food – morals and ethics associated with choice of diet, e.g. vegetarianism and religious diets.
Social Skills	Friendship and relationship, anger management and conflict resolution work centres around how we understand different types of relationships and how we need to value those on a moral level. Students debate and discuss consequences of their actions in regards to the law.	Anger Management and conflict resolution work very much focuses on the understanding that our actions have consequences and those consequences are identified and discussed.	Appreciating difference and discrimination work enables students to explore moral and ethical issues and start to understand that there are different viewpoints to their own
PSHE	KS3 Year 7: Term 2 'Rights and	KS3 Year 7: Term 1 'Risk and safety' and	KS3 Year 7: Term 2 'Rights and responsibilities'

	<p>responsibilities' and Term 4 'Relationships'</p> <p>Year 8: Term 2 'Risk', Term 3 'Laws and the justice system' and Term 4 'Drugs'</p> <p>Year 9: Term 2 'Planning for the future' and Term 6 'SRE'</p> <p>KS4</p> <p>Theme days/ tutorial programme- British values, laws and identity; Living in the wider world</p>	<p>Term 2 'Rights and responsibilities'</p> <p>Year 8: Term 2 'Risk', Term 3 'Laws and the justice system' and Term 4 'Drugs'</p> <p>Year 9: Term 2 'Planning for the future' and Term 6 'SRE'</p> <p>KS4</p> <p>Theme days/ tutorial programme- British values, laws and identity; Living in the wider world</p> <p>All students will have the opportunity to reflect on their own experience and understand the consequences of their actions through a variety of topics including 'Drugs and the law', 'SRE', 'Healthy body, healthy mind', 'Relationships'</p>	<p>and Term 5 'Communities and identities'</p> <p>Year 8: Term 3 'Laws and the justice system'</p> <p>Year 9: Term 1 'Liberty and freedom'</p> <p>KS4</p> <p>Theme days/ tutorial programme- British values, laws and identity; Living in the wider world; Citizenship-communities</p>

Social Development			
Students social development is shown by:			
Subject	SMSC: use of a range of social skills in different contexts, including working and socialising with students from different religious, ethnic and socio-economic backgrounds	SMSC: willingness to participate in a variety of social settings, cooperating well with others and being able to resolve conflicts effectively	SMSC: acceptance and engagement with the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the students develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.
English	<p>KS3 All SOL allow for S&L opportunities including drama or empathy tasks that can focus on a specific character and their experiences.</p> <p>KS4 S&L through discussion, presentation and role-play as issues are directly linked to SOL, including those which will impact on their understanding of cultures and the acceptable use of language within that environment</p>	All SOL at KS3/KS4 cover this element, as there is Speaking and Listening throughout. This is also demonstrated when students investigate global topics that will require them to consider and sympathise or empathise with other citizens.	<p>KS3 Year 7 Term 1 'Wonder' SoL offers opportunities to explore issues surrounding cultural tolerance and mutual respect. ' Year 8 Term 4 'Poetry from Different Cultures': students focus throughout the unit on the key question 'how is the theme of tolerance presented across the poems?' Year 9 – All SOL require students to have an understanding of modern Britain as well as being able to investigate the differences within society as time has changed, including the ways in which language has evolved</p> <p>KS4 Shakespeare texts , Conflict Poetry , Animal Farm</p>
Maths	Across all years. Data used to compare different groups of people. Male / Female or different religions etc.	Students work together, discussing methods and decisions needed in order to solve Mathematical problems.	
Science	Group work completed in every year. Year 10 – students attend the youth climate summit where they work with students from other schools and backgrounds on the climate	Year's 7-13 group work continually completed where students will debate current scientific issues.	Year 10 – look at the laws on cloning and in particular cloning humans. Year 11 – debate and investigate the use of stem cells and the laws surrounding their use.

	change debate. Year 12&13 A level biology students attend the Oxford international Biomedical Centre symposium on topical Biological debates with schools from all over the South West		
History	Students in all Key Stages work with students from different ethnic and socio-economic backgrounds during paired and group work. Students are also given information that helps them appreciate diverse cultures and experiences.	Group work in all key stages incorporate a level of debate in which students have to resolve conflicting viewpoints in a calm and respectful manner. Questioning techniques encourage students to participate in lessons. Group work success criteria encourages students to co-operate during lessons and assess how successfully they were able to do this.	Year 7 study the feudal system and compare it to how a school is run Year 8 look at how Kings and Queens run their countries and consider how this is different to how society is run now Year 9 look at how government make decisions such as going to war and draw comparisons to how decisions were made to go to recent wars Year 10 & 11 see how proportional representation can have difficulties and strengths and consider if our parliament would benefit from such a system. All these studies draw comparisons to democracy where the need to respect individual liberty, mutual respect of differing viewpoints is encouraged. Systems from the past are assessed by drawing comparisons to the strengths of democracy.
PB	Y 7 Ultimate Questions. Origins of religion. Denominations. Islam. Who was Jesus? Y8 Journey of life. Special places. Sikhism. Y9 Buddhism. Inspirational people. Suffering and evil. Rwandan genocide Y10 Wealth and Poverty. Y11 Nature of God. Equality. Peace and Justice	Y7 Origins of religion. Denominations. Islam. Y8 Journey of life. Y9 Buddhism. Inspirational people. Suffering and evil. Rwandan genocide Y10 Wealth and Poverty. Medical Ethics Y11 Equality. Peace and justice.	Y 7 Origins of religion. Denominations. Islam. Y8 Journey of life. Sikhism. Y9 Prejudice and Discrimination (Gandhi & MLK). Buddhism. Inspirational people. Rwandan genocide Y10 Medical Ethics. Y11 Equality. Wealth and Poverty. Peace and Justice.
Geography	Group work included at all levels	Year 9 – Development Unit	Year 8 – Crime Unit

	and within most units	(including the trading game)	Year 10 – Lessons on multicultural societies
MFL	KS3-KS4 Pair/group work/speaking in front of the class	KS3-KS4 Short role plays/videoing work/TALK strategies/presentations	KS3-KS4 Francophone and Hispanohablante countries/video clips and compare them to British values etc...
Art	Trips to Art galleries in London/Oxford etc. Working with visiting Artists and participating in workshops.	Group work – Creative Studies groups Peer Assessment – giving positive feedback to others about their artwork. Midsomer Norton Arts trail – Art work exhibited within the community in collaboration with Norton Hill School Art department. Norton Radstock Rotary Club Art exhibition	Students are introduced to a range of artists to expand their knowledge of the wider world of art and creativity.
Music	World music taught across all Key Stages, religious music, such as Christmas, different genres from Classical to Dance music	Caribbean Music, European Music, Christmas music and instruments of the orchestra – Year 7; Blues, improvisation, scat singing, ragtime, notation of music – year 8; classical music and understanding different venues and occasions of music, fusion, reggae, Bhangra, samba, tango, 'my music' topic, film music – music for motion films, silent movies, soundtracks, dance music – music for social venues, 1970s disco – Year 9; dance music, Bhangra, tango, American line dance, disco, Viennese waltz, African music, classical music, baroque music – KS4 World Music study, Sacred and Secular music, Classical – Popular	Caribbean Music, European Music, Christmas music and instruments of the orchestra – Year 7; Blues, improvisation, scat singing, ragtime, notation of music – year 8; classical music and understanding different venues and occasions of music, fusion, reggae, Bhangra, samba, tango, 'my music' topic, film music – music for motion films, silent movies, soundtracks, dance music – music for social venues, 1970s disco – Year 9; dance music, Bhangra, tango, American line dance, disco, Viennese waltz, African music, classical music, baroque music – KS4
Computing/ICT	Students are encouraged to assist one another in problem solving.	Students are encouraged to behave appropriately in different	Students are encouraged to reflect on modern British society and how they personally have a

	<p>Students are encouraged to develop good practice and respect in the use of social networking.</p> <p>Yr 8 - Students look at security risks to data and how to reduce or contain them</p> <p>Yr 10 - Students investigate the impact of the use of digital devices on the way organisations operate.</p>	<p>social settings in the classroom including listening whilst others are talking and generally interacting as caring a community.</p> <p>Yr 10 - Students develop and understanding of the causes and implications of unequal access to ICT</p>	<p>role to play.</p> <p>Yr 7 - Students create a mobile phone app on Britishness. This looks at what it means to be British. It is aimed at people wishing to move or visit Britain. The project aims to get students to think about what is great about Great Britain.</p> <p>Yr 10 - Students study the sustainability issues and ways of minimising the environmental impact of ICT whilst considering the impact of ICT on working practices</p>
Business	<p>Throughout the curriculum, students are given the opportunity to exercise their leadership skills. Students often work collaboratively to understand new concepts and share information researched, thus giving the students responsibility over their work.</p>	<p>Students also have the opportunity to look at how organisations work by visiting businesses.</p> <p>Social development within Business Studies involves students being encouraged to develop their team working skills through collaborative work and research.</p> <p>The students also explore the concept of teams and the roles that individuals have to play and how this can impact a business.</p>	<p>Unit 8 – Recruitment Selection & Employment</p> <p>Learn about diversity in the workplace</p>
Media	<p>Mixed gender and SV/ NH groups in Media classes. Group work in practical tasks. Working with staff from SomerValley FM.</p>	<p>Collaborative group work in film and radio production projects at L.2 and L.3. Working with one group over an extended period of time to produce a media product.</p>	<p>British values as reflected through Media representations of diversity and different groups in society. Respect for intellectual property rights and copyright.</p>
PE	<p>Varied teams and ever changing groups with students working together at KS3 and KS4.</p>	<p>Social strand of KS3 assessment includes work to develop students' ability to interact with others through sport and resolve conflict situation.</p>	<p>Shaking of hands and congratulating the opposition common practice after matches.</p>
DT	<p>Graphics– KS4. Discussion on designing for different cultures and/or religions.</p> <p>Catering & Textiles Trips to Tesco's</p>	<p>Theory and practical lessons; all Years.</p>	

	and Clothes Show. Use of cultural influences in designing products – Textiles GCSE.		
Social Skills	Friendship and relationship skills Anti-Bullying strategies Self Esteem Anger management Conflict Resolution Drugs Awareness In all the groups students are working with students from lots of different backgrounds. The group work nature of the sessions allow students an opportunity to develop the social skills needed to use in different settings	Self Esteem work, building confidence in their skills. More specific work with ASD students who because of their diagnosis would find this difficult at times.	Throughout the whole social skills programme we are encouraging students to have tolerance for others and often challenge comments and attitudes that do not support this.
PSHE	All years: Students will work in groups for a variety tasks and topics Students will take part in role play and discussions in a variety of topics Students will experience Theme Days and will work in groups and people from outside of the school environment	All years: Students will work in groups on tasks based around different scenarios for a variety of topics Students will be involved in discussion and problem-solving tasks Students will experience Theme Days and will work in mixed groups in a variety of settings	KS3 Year 7: Term 2 'Rights and responsibilities' and Term 5 'Communities and identities' Year 8: Term 3 'Laws and the justice system' Year 9: Term 1 'Liberty and freedom' and Terms 3 & 4 'Parliamentary democracy' KS4 Theme days- Health and well-being, Citizenship, Life after school

Students cultural development is shown by:					
Subjects	SMSC: understanding and appreciation of the wide range of cultural influences that have shaped their own heritage and that of others	SMSC: understanding and appreciation of the range of different cultures within school and further afield as an essential element of their preparation for life in modern Britain	SMSC: knowledge of Britain's democratic parliamentary system and its central role in shaping our history and values, and in continuing to develop Britain	SMSC: willingness to participate in and respond positively to artistic, sporting and cultural opportunities	SMSC: interest in exploring, improving understanding of and showing respect for different faiths and cultural diversity , and the extent to which they understand, accept, respect and celebrate diversity , as shown by their tolerance and attitudes towards different religious, ethnic and socio-economic groups in the local, national and global communities.
English	All SoL at KS3/KS4 cover this element – cultural aspects as well as social/historical features run throughout due to the nature of the texts being studied.	All SoL covers this, again through S&L. The poetry SoL cover this aspect particularly efficiently in each year of KS3.	This is touched upon in KS4 with the contextual research conducted at the start of the 'Animal Farm' SoL.	All SOL at KS3/KS4 cover this element, as there is Speaking and Listening throughout. This is demonstrated through the investigation of culture and the Literary Heritage of our country. As a department, our support for national initiatives such as National Poetry Day, World Book Day, and Shakespeare Day etc. enables students to participate in	KS3 Year 7 Term 1 'Alter Egos': students explore the role of alter egos in literature, reflecting on their function in relation to identity. Term 2 'Wonder' explores disability, reading difficulties and group identity. Year 8 -Term 2 'Dickens': students explore the theme of altruism in the text and explore its impact on society; -Term 3 'Poetry from Different Cultures': students explore poetry from a range of cultures, exploring viewpoints and social and historical context. Year 9 -Term 1 'Romeo and Juliet':

				<p>enrichment activities aimed at encouraging artistic and cultural engagement on a wider level.</p> <p>Many companies come to visit the school to perform plays, poetry etc.</p>	<p>exploring attitudes to love across different cultures.”</p> <p>-Term 3 ‘Animal Farm’: students reflect on the role of democracy in shaping society.</p> <p>KS4</p> <p>‘Animal Farm’, ‘Romeo and Juliet’</p> <p>‘Frankenstein’</p> <p>Conflict cluster poetry in EdExcel Anthology;</p> <p>All English Language schemes of work (which make use of the Edexcel GCSE 9-1 Text Anthology, containing a wide range of non-fiction texts covering current affairs-style issues).</p>
Maths		<p>Across all years.</p> <p>Data used to compare different groups of people.</p> <p>Male / Female or different religions etc.</p>	<p>Across all years.</p> <p>Statistics uses politics as an example of how data can be manipulated.</p> <p>Proportional representation also mentioned....what does proportion actually mean etc?</p>		
Science	<p>Year 10 – evolution.</p> <p>Year 8 ‘light – how ideas have changed with time’,</p> <p>‘inheritance – genetic information’</p>	<p>Within year 10 and 11 we cover topics that use data to compare different groups and cultures.</p> <p>In these year groups we also look at</p>	<p>Year 10 and 11 – stem cell research and funding</p>	<p>Year 7 – 11 creative tasks completed throughout e.g. models of cells, microbes, atoms, skeletons, organs.</p> <p>Year 8 ‘fit and</p>	

		discoveries and their acceptance within different cultures.		healthy' students complete sporting tasks to test fitness.	
History	Year 7 look at cultural influences of the Romans Year 8 look at cultural influence of the Tudors Year 9 look at the cultural influence of famous inventors Year 10 & 11 look at how the fight against fascism shaped many of Britain's principles, aims and cultures.	Year 8 British slave trade, examining the different African cultures.	Year 8 Civil war looking at the developing role of parliament and democratic principles. King John and the magna carter is examined as a founding tool for democracy.	Year 7 and 8 creative tasks such as castle, shield and abolitionist memorials. This allows students to be artistic.	Year 9 Africa before the slave trade examining how advanced each civilisation was and how they contributed a lot to European development Year 10 & 11 Hitler's Germany highlights the danger of intolerance. The teaching of the slave trade encourages respect for different cultures. The Holocaust unit teaches the importance of tolerance.
PB	Y 7 Origins of religion. Denominations. Who was Jesus? Truth claims Y8 Journey of life. Life after death. Y9 Inspirational people. P&D (MLK) Y10 Good and Evil. Religion and Science. PSHCE

Students should be taught:

Health and Wellbeing

<p>How to manage transition</p>	<p>English: This is done at KS3 when students are preparing for the demands of KS4 Science: Year 7-13 – use of evidence to back theories History: Year 8 transition from monarchy to democracy. PB – Y7 Ultimate Questions - Self reflections Social Skills: Detailed discussion with year 9 and 11 students particularly on next steps PSHE: Year 7: Term 1 'Risk and safety', Year 9: Term 2 'Planning for the future'. KS4- Living in the wider world</p>
<p>How to maintain physical, mental and emotional health and wellbeing including sexual health</p>	<p>Science: Year 7 – reproduction; Year 10 – hormones and the menstrual cycle. Music: attending extra-curricular activities to maintain physical and mental wellbeing. PE: Health Related Exercise units in Years 7, 8, 9, 10, 11. D&T: Plate of Good Health underpins teaching in Food lessons. Social Skills: Self-esteem work is focussed on how we can help ourselves feel good. PSHE: Year 7: Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Healthy body, healthy mind; SRE; Relationships</p>
<p>About parenthood and the consequences of teenage pregnancy</p>	<p>Science: Year 7 – reproduction. Year 10 – controlling fertility, contraceptive pill, fertility drugs and IVF. History: Year 8 Henry 8 as a poor parent. PB: Y8 Journey of life - Marriage, Parenthood; Y10 Medical Ethics – abortion, fertility treatment. Social Skills: Drugs awareness sessions will go into this area of responsibility. PSHE: Year 7: Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk', Year 9: 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Relationships, SRE</p>
<p>How to assess and manage risks to health and to stay, and keep others, safe</p>	<p>Art: students to become familiar with how to work safely in a practical environment. Health and Safety risks when using clay and lino cutting tools. Training given in using craft knives and scissors safely and sensibly. Science: Year 7-13 – completion of practical work following safety rules and responding effectively when there are chemical spills or breakages. History: Year 7-8 diet and life style. PB: Y8 Journey of life – dealing with death PE: Consideration of importance of warm-up/cool-down and use of equipment; GCSE – Risk assessments. D&T: Safety in workshop and specialist DT rooms. Social Skills: Drugs awareness topic PSHE: Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Theme days- Health and well-being (First aid)</p>

<p>How to identify and access help, advice and support around health and wellbeing</p>	<p>Science: Year 11 BTEC – completion of assignment on NHS and healthy lifestyles. PB: Y10 Medical Ethics – Suicide, Hospices. Y11 Equality Social Skills: Discussion and signposting to school nurse PSHE: Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme/Theme days- Health and well-being; SRE, relationships, Drugs and the law</p>
<p>How to make informed choices about health and wellbeing matters including drugs, alcohol and tobacco</p>	<p>PB: Y8 Journey of life. Life after death; Y9 Suffering and Evil; Y10 Medical Ethics. Good and Evil. Peace and justice; Y11 Equality. End of life. MFL: KS4 Healthy Eating/sport/drugs/alcohol PE: Healthy active lifestyle section during 'About Me' super learning day. KS3 – All years cover Health Related Exercise each year. GCSE – Theory content relating to healthy active lifestyles. D&T: To have an awareness of health choices within their choice of ingredients. Nutritional awareness from Year 7. Balanced diet all Years. Nutritional analysis of Food products that they make. KS4 Catering. Social Skills: All materials and discussion is around being aware of how health and wellbeing are affected by drugs, alcohol and smoking. There is also a discussion around keeping safe with a reference to sexual health in year 9. PSHE – Year 7: Term 3 'healthy lifestyles', Year 8: Term 4 'Drugs', Year 9: Term 5/6 'Emotional wellbeing/ SRE'. KS4- Theme days- Health and well-being, Drugs and the law</p>
<p>How to respond in an emergency including administering first aid</p>	<p>Science: Year 7-13 – completion of practical work following safety rules and responding effectively when there are chemical spills or breakages. D&T: Safety in workshop and specialist DT rooms. Social Skills: Self-esteem work Drugs awareness. PSHE: Theme days with a session focussed on First Aid and emergency</p>
<p>The role and influence of the media on lifestyle</p>	<p>English: This is particularly relevant at KS3 as there is a unit for Year 8 students on "Media and Advertising". This SOL takes into account the use of the media and the ways in which this has evolved. This is also evident at KS4 with the "Spoken Word" CA where students will need to explore the way that the media presents to the general public attitudes on certain sections of society. Science: Year 7-13 – use of media articles used throughout especially on current affairs e.g. disease, cloning, stem cells. History: Year 10- Nazi propoganda and its impact and the WW1 propoganda. Social Skills: Self-esteem work on image PSHE: Year 7: Term 3 'Healthy lifestyles', Year 8: Term 4 'Drugs', Year 9: 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme/ Theme days, healthy body, healthy mind, Living in the wider world.</p>

Relationships	
How to develop and maintain a variety of healthy relationships within a range of social/cultural contexts and to develop parenting skills	<p>Science: Year 7-13 group work and debates.</p> <p>History: Year 8 interaction between Europe and Africa.</p> <p>PB: Y8 Journey of life - Self reflections; Y9 Prejudice and Discrimination; Y10 Medical Ethics</p> <p>Social Skills: Friendships and relationships skills; Drugs awareness and Self Esteem work</p> <p>PSHE: Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: Term 2 'Planning for the future', 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme/ Theme days- relationships, living in the wider world, SRE</p>
How to recognise and manage emotions within a range of relationships	<p>History: Group work, debates focusing on PLTS</p> <p>PB: Y7 Ultimate Questions; Y8 Journey of life</p> <p>Social Skills: Friendships and relationships topics.</p> <p>PSHE: Year 7: Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: Term 2 'Planning for the future', 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme/ Theme days- health and wellbeing, SRE.</p>
How to deal with risky or negative relationships including all forms of bullying (including the distinct challenges posed by online bullying) and abuse, sexual and other violence and online encounters	<p>PB: Y9 P&D – whole unit; Y11 Peace and Justice, Equality.</p> <p>Social Skills: Self-esteem, drug awareness , anti-bullying and friendship and relationship skills topics</p> <p>PSHE: Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' and Term 4 'Drugs', Year 9: Term 2 'Planning for the future', 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme/ Theme days- Health and wellbeing, Relationships, SRE.</p>
About the concept of consent in a variety of contexts (including in sexual relationships)	<p>History: Year 10 Nazi Germany consent to participate in holocaust.</p> <p>PSHE –Year 7: Term 4 'Relationships/ SRE', Year 9: Terms 5/6 'Emotional well-being/ SRE'. KS4- Tutorial programme/ Theme days- Health and wellbeing, Relationships, SRE, Living in the wider world.</p>
About managing loss including bereavement, separation and divorce	<p>PB: Y8 Journey of life – dealing with divorce, dealing with death. Y10 Medical Ethics – Suicide, Hospices, Euthanasia,</p> <p>Social Skills: Self-esteem topic</p> <p>PSHE: Year 7: Term 1 'Risk and safety', Term 3 'Healthy lifestyles' and Term 4 'Relationships/ SRE', Year 8: Term 2 'Risk' , Year 9: Term 2 'Planning for the future', 'Term 5 'Emotional wellbeing' and Term 6 'SRE'. KS4- Tutorial programme- Healthy body, healthy mind, Living in the wider world.</p>
To respect equality and be a productive member of a	<p>English: This is evident in the cultural SOL that we explore at both KS3 and KS4</p> <p>History: Year 8 Slave trade, Year 10 Nazi Germany and South Africa teach about the importance of equality.</p>

diverse community	<p>PB: Y9 P&D; Y11 Equality, Peace and Justice</p> <p>Social Skills: Anti bullying and appreciating difference topics</p> <p>PSHE: Year 7: Term 5 'Communities and identities', Year 8: Term 1 'Community' and Term 5 'Identity', Year 9: Term 1 'Liberty and freedom'. KS4- Tutorial programme- Healthy body, healthy mind, Living in the wider world.</p>
